

About The Company

Who Is VACI?

VA Claims Insider is an education-based Coaching/Consulting company for disabled veterans exploring eligibility for increased VA disability benefits and who wish to learn more about that process.

Our VISION is to “Be the world’s most trusted educational resource for veterans navigating the VA disability claim process.

Our MISSION is to “Make the VA Claim process easy through the power of community, personal coaching, and best in class education because WE CARE.” We fulfill our mission by offering disabled veterans a suite of digital products and services inside our education-based membership programs, to include:

PROGRAM #1: VA CLAIMS INSIDER MASTERY

Our self-paced online course with 3 modules, 20 video lessons, and tons of real templates that teach veterans how to file a winning VA disability claim even if they’ve already filed or been denied.

PROGRAM #2: VA CLAIMS INSIDER ELITE

Our premier education-based, coaching/consulting program intended to help veterans Mastermind with fellow disabled veterans and connect with qualified independent medical professionals for evaluations and Medical Nexus Letters (aka, Independent Medical Opinions) spanning the entire VA disability claims list of more than 800 conditions.

Elite members also get a Veteran Coach to create a personalized plan and strategy for their claim and get to mastermind with a cohort of fellow disabled veterans on their VA claim journey.

Our Results

VA Claims Insider is an education-based Coaching & Consulting company for disabled veterans exploring eligibility for increased VA disability benefits and who wish to learn more about that process. We also connect veterans with independent medical professionals in our referral network.
